

Elder Law Seminar:

Asset Protection & Trusts

Protect your independence and avoid running out of funds!

Asset Protection Trusts and other legal strategies help you qualify for valuable benefits, reduce taxes, and preserve control over your affairs.

Avoid being financially forced into a nursing home by qualifying for:

- **VA Aid & Attendance** pension up to \$2,266/month;
- **CT Pilot Program** pays care portion of assisted living;
 - **Medicaid (Title XIX)** home care; and
- **Tax deduction** of care costs by higher-income child.

Reduce assets and income “on paper” *without* giving up control over your funds. By preserving your assets, you can protect your lifestyle longer. Danbury attorneys **Thomas E. Murphy and Michele F. Murphy, RN, MSN** have practiced Elder Law, Estate Planning and Probate law for over 50 years combined.

Plan and protect!
