Protect your life's savings and lifestyle!

Wednesday, November 17, 2021 1:00-2:00 PM via Zoom

Learn how to qualify for Medicaid (Title 19) and VA Aid & Attendance to avoid running out of funds, and to keep the State from "Taking it All" by using Medicaid's technical rules *for* you instead of *against* you. Topics include: asset and income limits, spousal protections, converting exposed assets to exempt assets, avoiding transfer-of-asset penalties, use of trusts and annuities, targeted spend-down, qualifying despite being over-asset or over-income, and avoiding liens and recoveries.

Let the experts empower you to protect yourself and your family.
